BIANCA & VICTOR

Before heading to the club, Bianca's mouth gets the best of her...

This girl loves to get down and dirty...

I can't believe you're wearing that to the club, Victor," Bianca spews to her boyfriend coming down the stairs.

"So, big mouth, what are you going to do about it?" He spouts, pulling her dress down, kissing her pert nipples.

Pulling down her boyfriend's pants, Bianca exhumes her man's entire rod, getting it wet and glossy for her sopping snatch.

"You're such a dirty girl, I thought you wanted to get fucked in the ass at the club?" He says, plunging his prick deep inside her.

Seconds away from bursting, he pulls out and splashes his seed over her, spotting her dress.

"That's okay, sweetie, " she moans, "I'll just eat it all up."

No cock waits for Bianca's sweet pussy...

Victor's cock is like a magnet to his girl's snatch...

Downward Doggie Style

After I was getting constant headaches, I was advised by a doctor that it was stress related, and I needed to learn how to relieve it. He gave me a bunch of ways, and although sex was one of them, I told him that since I was single I was going to have to resort to the spank bank for that.

"Well, how about yoga? It will relieve stress, which will therefore, help you get laid."

I didn't think about it that way, but I decided to join a local yoga studio anyway, just to check it out. What I didn't know was that it was a room full of hot, curvy women wearing nothing but midriff-baring tops and spandex. My cock was raring the second I went in there, and when I spotted Candace—a Kim Kardashian lookalike, I was hooked—with a hard-on. Her bubbly ass and tiny waist was not helping the bulge forming in my pants. I made it a point to work out behind her, so I could imagine licking her round double bubble, and I was already in a state of nirvana the moment she looked at the tent growing in my pants and winked.

After the class, I was actually surprised at how calm I felt, but I was even more relaxed when Candace asked me out for green tea at her apartment around the corner.

I didn't want to seem rude by not walking next to her, but walking a little bit behind her, but her ass was mesmerizing. I was hoping

that my pulsating prick wasn't too obvious every time her cheeks moved up and down.

When we walked into her place, I couldn't help but notice her grazing against me, when she was preparing the tea. Finally, just before she put the water on, she took off her tank top, revealing her huge C-cups with her perfectly hard nubs.

"Come on, touch them, baby," she said, bringing my hands to the mountainous flesh. They were soft, full and natural, and just as I was in a daze with playing with her growing pebbles, her hand moved to my crotch. She licked her lips and moved to her knees—pulling down my pants to release my hulking mast. I couldn't believe the luster in her eyes when she swiped the pre-cum with her tongue, before engulfing all eight inches in her mouth.

With all her clucking and deep throating, I

was still screwing her hard when I stuck a finger in there and it slipped into the knuckle as if my finger was covered in grease.

I pulled out, and she said, "Mmm...I'm so fucking horny and hot for you, baby. You'll slide right in."

I couldn't believe I was about to fuck her ass, but I felt myself calming down immensely before my head peeked its way into her tight wrinkle, with the rest of my shaft hitting her beautiful hump until I was balls-deep. I saw her white knuckling the sheets while I started off slowly, before plowing her harder. Her hand moved backwards when I realized that my balls were bouncing hard against her under carriage, and then a slight bit of her girl goo rained down my thighs.

I was reaching a state of nirvana again, and just as I rammed her a few more times, I gushed deep inside her asshole—filling her with my boy batter.

We've since continued to go to classes at the studio and my doctor said that my stress levels have practically disappeared. I just joke and said, "I got a two for one!"

Carnal Contestants

One thing about me is that I love being on stage—up front and singing is where I'm the most comfortable, and even though my nympho nature gets the best of me, a life in porn was something I didn't foresee in my

was about to burst—and she knew it. I was hoping to get inside her, so when we moved to the bedroom and she was ass-first in doggie, I was ready for the plunge.

I slid into her dewy depths so quickly, and pounding her, while gripping onto her plush rump was getting me even harder, but I noticed that when I spread apart her beautiful cheeks, her back hole puckered wide. I

future. I decided that in order to get into show biz and get laid as well, I'd have to be famous. So, with no connections, I decided to audition for a spot on a new singing competition show.

I didn't think there would be as many people as there were, so when I walked through the arena doors, you could imagine my surprise when I saw literally thousands of people practicing.

I decided to go in the back where no one could hear me practice my vocals, and when I got about two minutes in, I heard a nice, R&B type vocals from the man behind me. At first, I was pissed that he was cramping my style, but when I saw a lean, blond haired/blue-eyed Adonis, my pussy was practically howling.

"I'm sorry, I thought you sounded beautiful that I just had to chime in," he charmingly said. He introduced himself as Taylor and once we got chatting, I noticed that a bulge was tenting in his pants, and while he was going on and on about influences and the judges typical styles, he must've noticed that my lips were quivering and I constantly started licking my lips.

"Well, if you want it, you just need to ask," he said, pulling me in for a kiss. As we

hood met the base of his bat, He pulled out and sprayed his spunk all over my new dress—staining it. I didn't have a bleach pen, so I licked the remnants up with my fingers and fed it to myself.

I went into the audition with a little more pep in my step, but I didn't get very far at all. Who cares, though—I got fucked so well!

XXX Build

Everyone wonders what a hot chick like me is doing working in construction. "You should be a model," "You're too pretty to get hurt," "How do you expect to get a husband with the job you have?" Are the normal reactions, but I just ignore it, because the main reason why I work in construction is so I can fuck on the job. That's right, I said it.

Since I always take contract jobs, it's a good way to "love 'em and leave 'em." My tits are naturally big, but not

together, but I would always watch them get harder and harder whenever I poured the cement, so one day, I pulled them both into the back room, and didn't say a word. I kissed Tony while I played with Benny's throbbing, denim-encased cock.

My mouth was watering, so I bent down and pulled out their cocks—taking turns inhaling each rod while deciding which one I wanted in my pussy, and which one was going to go in my asshole. I told you I wanted to go out with a bang.

Benny's felt so good in my mouth that I knew he was long enough for my asshole, but will go nice and deep, while Tony's was thick and large—a perfect fit for my sweaty pussy.

They knew what to do—as good workers always do—and when the jackhammers were humming in the background, I sat down slowly on Benny's while he lied across the desk, throwing blueprints and papers to the floor.

I was so shocked at how hard I came that I squirted on the floor—turning Tony on with my sexual appetite. I made sure to spread my petals apart, so he could get ready for my hole, and just like how he works, Tony pounded me hard, while I was double stuffed.

embraced, he felt me up—cupping my B-cups and then pulling me into the judge's dressing room that was marked "Private."

I was so soaking wet that when he put me on the long table filled with hundreds of dollars of accessories, I was sure I was going to fall off, but instead, he lifted up my twirly skirt, moved my panties to the side and licked me constantly—not letting his tongue leave my clit until I squirted my snatch sauce down his throat. I was so sensitive, but it was so hot hearing all the people shuffling their feet, talking and trying to sing their hearts out right outside of the door. I was sure they heard us moaning when he was balls-deep inside my velvety walls, but thankfully no one walked in.

I couldn't believe how deep he got, and every time I saw another skintight dress from the famous singer's judging wardrobe, I knew I was doing something exceptionally dirty.

"It doesn't look like we're going to get very far in the competition, baby, but your pussy sure does feel nice." Taylor groaned in my ear while pumping his hose deeper inside me.

I kept meeting his rhythms while I gyrated my hips against his pelvis, and just when my

enormous, and since I work where it's constantly hot, I love to wear tight-fitted white tank tops and let the sweat beads pour down my cleavage.

Men get a kick out of the short-shorts that I wear, too, because it's not that it shapes my tanned legs, but whenever I lift cinder blocks, my undercarriage shows and so does a little wet spot whenever I get turned on.

Fucking on the job also helped me get schooled on what works and what doesn't. Against the jackhammer? No way. In the big vehicles? Oh, yeah. Like I said, I get bored too quickly, so when I found out that I was moving onto a new job and I didn't even get to fuck the Forman, I just had to get my hands on the other hot workers.

There were two in mind—Tony and Benny that I had my eye on. We worked well

They were only inside me for a few minutes until Tony pulled out while I caught every last drop of his semen in my mouth. I continued to bounce on Benny, and I knew he was close to cumming when I wrapped my palm around his full ball sac and gave it a little tug.

"Arrggghh!" He said, blasting his load in my tight, pink pucker, and lucky for him, I caught up the remnants, mixing both mens'—just like the true worker slut that I am.

I started a new gig soon after and now I'm just trying to figure out whom to fuck when. I'll report back, *Club* fans!

ANGELICA BLACK

This freaky fuck star wants to show you her kinky side...

RAW

Angelica's kinky switch is not to be taken lightly...

That's okay, I like it when you're discreet," Angelica says, spreading her pussy lips to the Masked Stranger in the room. Just as long as you play with me, I don't care what you look like.

The feel of the person's latex gloves on Angelica's soft, round ass makes her kitty purr, and when the Gloved Pervert plunges a finger inside, the fabric comes out silky and shiny—perfect for what's about to happen next.

While the Stranger goes to Angelica's goody bag, a colossal anal toy is revealed. Serving it to Miss Black, the Stranger makes sure Girl of the Hour is nice and wet—ready for the taking. In a few tender swoops, the beaded toy plows in—filling up her backdoor.

Two orgasms later, Angelica kisses the Masked Person, saying, "Damn, whoever you are, you sure do fuck me well!"

A Stranger helps get to Angelica's dark side...and she licks it up...

Chyna is Queen of the Ring

Starring: Chyna, Lisa Ann, Valerie Kay, Anthony Hardwood, Cyrus King, Justin Magnum, Ron Jeremy, Alex Sanders, Evan Stone, Lee Stone, Marco Banderas, Ralph Long, Sledge Hammer, TJ Cummings, Tommy Pistol

Directed By: B. Skow

Available From: Vivid Celeb

Squaring off in a no-holes-barred extravaganza, the one and only Chyna will go toe-to-toe against the most notorious bunch of bad boys the wrestling world has ever known. Battling for sexual supremacy in the Jizzapalooza portion of the evening—Chyna will throw down for the fight of her life, executing her most erotic moves until she is left gooey, grappled, and gaping. The winner of that match will go on to battle in the fight of the century—the Fucklemania Championship—earning the coveted belt and the title of being the best fuck of the world! Will Chyna have what it takes to tussle and tantalize her competition, or will her dreams be shattered beneath a pile of muscular meatheads in a nine-wrestler gangbang?

This is the jaw-dropping event created in *Chyna is Queen of the Ring*—Vivid's latest celebrity sensation—delivered by the twisted mind of famed director, B.Skow. Coming to life in four scorching scenes that push her sexual limits, it's time to experience Chyna like never before. As the bells sound in the ring, and her legs fall open—it's time to gather around to watch this brawny beauty in action. Are you ready to rumble, my friends? It's Fucklemania time!

The action begins backstage in the locker room where Chyna is getting herself ready for the first match of the evening. Just as she wraps her golden dress around her bazooka boobs, Lee Stone (Vince McMahon) and Lisa Ann—his beautiful daughter—come in and demand that she wins the match, using whatever means necessary. "One, you meat—and one, you eat!," he snarls, in reference to her grueling battle against Evan Stone (Hulk Hogan) and Alex Sanders (Ric Flair) that is to take place later that evening.

In need of more convincing, Chyna criss-crosses her arms over her crotch and mouths, "Get on your knees and SUCK IT!" Standing with her curvy calves wide-open, Chyna positions Lee in front of her pussy and demands he gets to work, polishing her undercarriage. As Stone is busy burying his tongue up her hairy twat, Lisa Ann belts Chyna's golden dress around her waist and begins feasting on her overinflated funbags. "Fuck yes, this feels so damn good," Chyna moans, bucking her hips into Lee's mouth until her slit syrup drips from his lips.

As the action continues to skyrocket between the tempting trio, Lisa Ann removes her purple silk blouse and squishes her

38DD rack into Chyna's squishy set. Now nipple-to-nipple—the women passionately French kiss, leaving trails of yummy saliva that fuses their juicy mouths together. “Give it to her, daddy,” Lisa continues to taunt, watching him treat Chyna's pussy like a piston with an onslaught of fingers.

As their action gets naughtier, Chyna positions herself in doggie across the locker bench, uncoiling Stone's cobra cock down her gullet. Able to deep throat and go balls-deep, Chyna silences the room with her stellar oral acumen, as Lee begins moaning like a howler monkey in heat. Making herself quite useful, Lisa Ann scurries underneath Chyna's legs and begins devouring her sloppy hole from the inside out. With suckling sounds trailing from both hotties, the girls take pleasure in their work.

After this display, Chyna is put through the paces as Stone grinds her pussy to a pulp, leaving her tits dripping with the combined fruits of their labor. It's a great way to begin the day and the event!

After a quick break, eight wrestling legends, including industry favorites such as Justin Magnum (Brett the Hitman Heart), Marco Banderas (The Iron Sheik), Sledge Hammer (The Rock), and Anthony Hardwood (Triple H), are waiting for Chyna in the ring. Swinging against the ropes and stroking their cocks—they are ready to split this pumped up princess in two!

Moments later, the room goes dark and everything becomes silent. Then, in a blinding crash of excitement, the room explodes into a glaring light and the music bumps, basking Chyna in a golden glow that makes her look like an incarnated goddess. Decked out in a purple outfit that perfectly exposes her melon-shaped tits, bubble butt, and rock hard abs—Chyna looks like an angel about to shed her wings.

Entering the ring with a sexy saunter, the men circle around the raven-haired wrestler, acting like a pack of hungry wolves. Sniffing around them like a frisky feline, Chyna observes the men, one at a time—grabbing their cocks, smelling their crotches, and sampling their lips. “She’ll take them all. She doesn’t care,” Tommy Pistol, the ring announcer, blasts as Chyna continues her unconventional introduction to the burley beefcakes.

Now standing in the middle of the madness, Chyna opens her arms and legs and allows the men to ravage her body at will. In one fail swoop, her purple top is yanked from her body, causing her boobs to rattle in place against her chest, and her matching skirt is peeled off her legs like a banana. From here, her body is enveloped with men who are sucking her tits, mouthing her clit, and testing out the elasticity of her asshole with their fingers. Not knowing which way to turn—Chyna just closes her eyes and takes in all the erotic sensations that are coming at her like a category five hurricane. With pussy milk trickling down her legs, it’s safe to assume that she’s having a good time.

From here, the men invade her holes. The Iron Sheik pumps and excavates her pussy until he strikes oil, The Rock lays the smackdown on her in reverse cowgirl position, and Triple H throws down the XXX when splicing through her pussy in spoon.

As soon as each man cums across her face and tits—the announcer declares Chyna the official winner of the Jizzapalooza. Now, it’s off to the Fucklemania Championship where she’ll take on Evan Stone (Hulk Hogan) and Alex Sanders (Ric Flair).

After leaving the ring victorious, Chyna is eager to celebrate her win backstage. Little does she know that Ron Jeremy (Captain Lou Albano) and the lovely trophy girl, Valerie Kay, are waiting for her—ready to rock her world.

Just as Chyna enters, she watches Ron pounding his cock in Valerie in a standing doggie arrangement that has her butt blossoming like a rose. Rubbing her clit at the sight of them, Chyna works her pussy up into to a frothy lather. "Fuck her pussy with your fat cock," she continues, living out her erotic desires through Valerie's pleasure. Doing as he's told, Ron rams his rod up Valerie's walls, rimming her G-Spot with his length until she percolates and pops.

Unable to contain herself any longer, Chyna joins the dynamic duo. Falling to her knees, she blows Ron's cock—paying extra attention to stuff his large balls into her cheeks like a chipmunk hoarding walnuts. "Suck it up, baby," Jeremy howls, smacking his cock head across her lips and chin. "You know what I like," Chyna smiles, pawing at Valerie's butt while she continues to feed on the Hedgehog.

Ready for a round of hard cock, The Ninth Wonder of the World rests herself on a towel-lined table and urges Ron to "Come and get it!" Spread out in missionary position, Ron fucks the stuffin' out of Chyna's muffin, making her moan with pleasure throughout. The scene ends in a shower of cum that the girls happily swap between them. Wow!

Finally, the match of the century is underfoot. Ready to show the world what she is made of, she gallantly walks around the ring, allowing the energy from the audience to pump her up. Moments later, Evan Stone (Hulk Hogan) and Alex Sanders (Ric Flair) makes their way through the cheerful crowd. The instant the bell rings, Chyna positions herself on her knees and begins delivering a sloppy, double blowjob that leaves both cocks, and the ground,

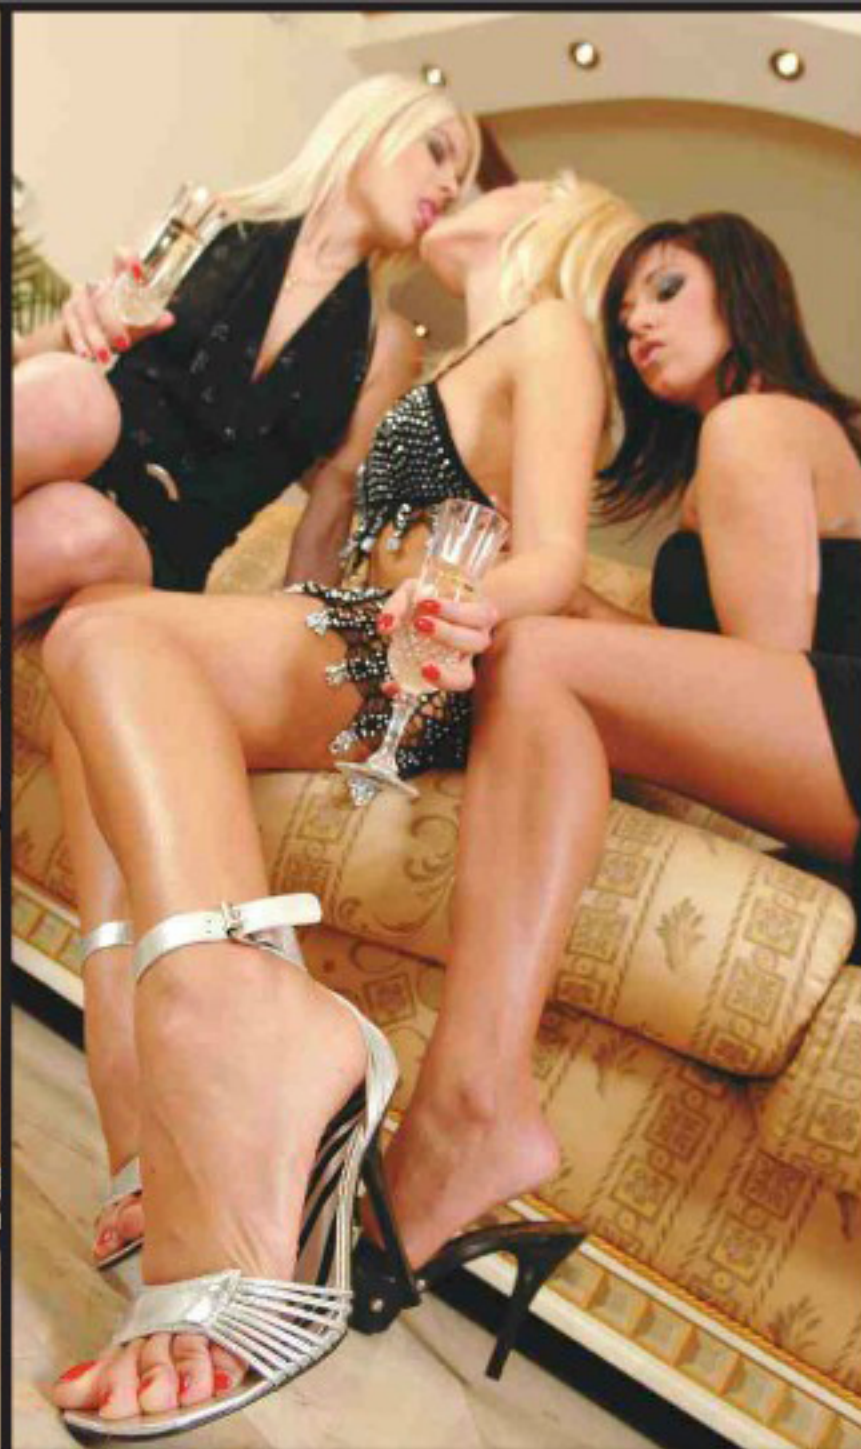

dripping wet. "Make 'em shine," Evan yowls, watching his dick slither down her neck, and her hands wrap around his friend's frank.

Now spread out on the ground, Evan takes full control of Chyna's pussy in missionary position, while she continues blowing Alex. Pumping her full of lead, Evan pounds her hard and fast, literally stealing the breath out of her lungs in the process. "More," she finally cries out, once Alex unlatches his cock from her throat and she's able to catch her breath.

Switching places, Alex positions her on her hands and knees and slams his cock into her asshole. Squealing like a prized piglet, Chyna looks great with her butthole spliced open. "Fuck, this is tight," he compliments, urging Evan to come in and get a taste of her taut anus for himself. Doing the deed slightly dirtier, Evan switches out his cock from hole to hole, treating both her pussy and her ass to a legendary pounding.

In the end, after Chyna manages to exhaust the men and steal the sperm right from their sticks, she's declared the winner. Holding up her championship belt to the sky, *Chyna is Queen of the Ring!*

GINGER, SOPHIE & JASMINE

When Ginger's heart is broken, her two friends come cheer her up...

**A surefire way to cheer
up a friend: Fuck her
brains out...**

I really thought he liked me," Ginger said, pouting her full lips. "But, he said I was bad in bed!"

Coming to her aid, her friends, Sophie and Jasmine start to console her by kissing Ginger's neck, moving their hands down to feel her sop-ping pussy.

"That's not true at all!" Sophie says, moving her tongue over to Ginger. "You have the sweet-est tasting pussy. This guy doesn't know what he's missing.

Shaking from the impending explosion, Ginger holds both her friend's heads while they take turns pleasing her tender holes.

"Mmm...and this asshole, too. It's so deli-cious," Jasmine musters—her tongue deep inside Ginger's pucker.

Finally, once her cream starts running down her thighs, Ginger whispers, "Well, who needs him any-way? I have two beauties right here."

These girls show-off

REGINA

*Regina's sex is on fire,
and she wants you to give
her a wet, cool down...*

RAW

This sexy siren wants to show you her fiery pussy...

can't take it anymore!" Regina bellows, "I'm so fucking horny that I am aching for something inside me!" Pulling down her lacy, soaking wet panties, the bawdy blonde suckles the wet spot forming in her lingerie before getting so heated, droplets of her dew rain down her thighs.

"Yeah, that's it," she encourages herself, imagining getting banged by two guys at the same time. "I think that could take out the fire in my pussy—and the one in my pink pucker," she moans, her digits growing stickier by the second.

"There's nothing like a good DP! Two rods that delve in deeper than any cock has been before."

Finally, as the rustles of her insides begin to quake, Regina's orgasm reaches a new high—with her girl goo putting out her freaky fire.

Licking the rest of her home-made nectar, she musters, "I'm happy I can put the fire out by myself when there are no cocks around."

There's nothing a good finger-banging won't do...

This nympho is aching for a double stuffing...

BLUE ANGEL & BRANDY RAW

These Sapphic Sluts love to get in trouble in public...

***These sluts can't get
enough of each other's
plush pussies...***

I know there's cops over there, Brandy," Blue whispers, kissing her girlfriend, "But, I need to fuck you. Right here—right now!"

Looking over their shoulders at the cops staring at the girls, Blue pulls her girl's bathing suit, licking her pussy until her girl goo rains down her thighs.

"That was hot, Blue," Brandy kisses, grabbing their massive mast. "But, I think I may need to go deeper on you."

Licking the hefty toy even more, Brandy plows the piece to the hilt, with a giant gush of sweet cream that pours over the toy.

As the girls fall over each other, they look over and laugh at the applauding cops in the distance.

Breathlessly, Brandy musters, "Next time we put on a show, we're going to charge. "

**No authority can
stop Blue and
Brandy's bawdy
nature...**

There's nothing like sweet cream on a warm, sunny day...

RAW: What makes for a good scene?

JM: Right off the bat, you should be on time and have a clean test before you even begin your scene. After that, you need to maintain a positive attitude, and be friendly and respectful towards everyone. You need to be ready to rock 'n' roll and give it all you have. Once the scene begins, let loose and be ready to lose control. And, of course, a good scene is one that makes me cum.

RAW: So, by all accounts, you have one of the most amazing jobs on the planet.

JM: Yes, I totally agree. I'm

paid to enjoy myself. I can't believe that having sex is what I am paid to do. I want to pinch myself.

RAW: Are you able to orgasm in most of your scenes?

JM: Well, I try my hardest to cum in every single scene, but that doesn't always happen for a number of reasons. For one—I'm not attracted to every single guy I perform with. But, even still, I do try to orgasm. It still feels amazing though. I wouldn't be in this industry if the sex I was receiving didn't feel good. Trust me; I like what's going on.

RAW: Do you play with porn stars off camera?

JM: Well, my boyfriend, Jordan Ash, is a porn star, so I guess I would have to say, 'Yes.' But, since I'm not really into girls, and don't really enjoy going out to parties, I would also have to say, 'No.' I choose to keep my professional life and my personal life separate.

RAW: So, you're not a bisexual woman?

JM: No, I'm not bisexual. I'm down to do three-somes, don't get me wrong, but am not generally into girls. However, I do believe women are beautiful. I'm just not sexually attracted to women, and

am not down with pussy. I just don't have a passion for pussy. When it comes to men, I want to touch them and fondle them. Really, I can't get enough of men. I just don't feel that same intensity towards women.

RAW: If you weren't a porn star, what would be your ideal profession?

JM: I'd probably still be in school studying Criminal Psychology. Maybe I'll move toward that goal somewhere down the road. You never know where life will take you.

RAW: Well, since you are around so many different types of people and personalities in the porn business, I'm sure you'll have many opportunities to continue studying Psychology.

JM: Yes, I have many opportunities to study people. In this industry, I get to meet a wide range of people. I guess I could build psychological profiles on all of them, while I'm sitting on set. When I get back to school, I'll have a great thesis, 'The Psyche of a Porn Star.'

RAW: Which do you prefer, anal, or vaginal sex? Why?

JM: I prefer anal sex. My backdoor is always open. With anal sex, I'm able to feel the cock much deeper, harder, and stronger. My ass is very dick-sensitive. Once I got used to doing anal, and, yes, there was a time when I wasn't a pro—I learned that my asshole really loves dick. The trick is that you have to be comfortable with it, and let it flow. Don't be scared and don't tense up.

RAW: How did you practice your anal sex skills?

JM: First off, I practiced with toys and practiced with my boyfriend. It is a gradual process. You need to be careful when it comes to your ass. It is easy to take a wrong turn if you don't know what you are doing. You don't want to rip yourself. You must be careful and ease into it. Once you do, anal sex is incredible.

RAW: You started doing anal sex right out the gate, right?

JM: Yes, I did. I remember my very first scene in the industry was an anal scene with John Strong for a company called *Kink.com*.

RAW: Wow, *Kink.com* is all about hardcore bondage. Were you into that style of sex prior to your first scene?

JM: That was my first experience with hardcore bondage. I wasn't sure if I was into it because I didn't fully understand the fetish. Talk about psychological fucking! When I realized what bondage sex was all about, I was really into it. It's teetering on the dark side and being pulled back into the light. It's a rush.

RAW: Are you able to orgasm through anal sex?

JM: Oh, yes! I am able to cum deeper with my ass than with my vagina.

RAW: Are you able to have squirting orgasms?

JM: No, I'm not able to squirt.

70 BEST OF CLUB

RAW: Do you enjoy being finger-banged?

JM: Sure, if their hands are clean and their nails are trimmed, it's fine. If I'm out on a date with a guy, getting finger-banged can be hot. But, while I'm performing, I much rather get down to business with his dick.

JM: Well, I'm partial to Jordan Ash, my boyfriend. He has all the right criteria; Respectful towards women, pretty eyes, big dick. You name it, he has it! Voodoo is also a hottie. As far as women go, I think that Jayden Jaymes is very beautiful. I love her curvy body, dark hair and crystal blue eyes.

RAW: Who are the sexiest performers in porn?

RAW: Where is your favorite place to be kissed?

as confident about having a thick backside?

JM: Well, there were some comments made in high school that were annoying. I was also chased a few times. But, for the most part, I've always been confident about my butt. I have a thick, South American booty, and I love it!

RAW: South American? What is your ethnicity?

JM: My mother is Peruvian and my father is Scottish, Irish. That's where I get my feistiness from. I'm definitely a firecracker! It's in my blood to be a badass.

RAW: What type of outfit makes you feel the sexiest?

JM: I feel so damn sexy in short mini-skirts, tank tops and the highest pair of heels I own. When I'm out, dressed like that, I get the dirtiest looks from older women. Eat it up, bitches! (laughing)

RAW: Who is your favorite performer to have anal sex with?

JM: Aside from Jordan Ash, I love having anal sex with James Deen. He's so passionate and extremely hardcore. By just looking at him, you wouldn't expect him to be as hardcore as he is. Surprise, surprise!

RAW: Are you into fucking in public?

JM: Sure, I once fucked in a bar and in an alley. Both encounters were hot. I also blew Jordan on an airplane, en route to Italy. Everybody was sleeping on the plane, and I was sucking him off. I guess that

JM: I love being kissed on my neck. It's a typical response, but is such a sensitive spot. The neck is where all the teasing begins.

RAW: Do you play dress-up for your lovers?

JM: Sure. Not all the time, but it does happen. Sometimes, I like to get all dolled up in fine lingerie. Other times, I like to play the naughty schoolgirl. I try to stay in character until the sex happens. Once I'm fucking, I simply lose control. Sex should be fun, or else, why are you doing it?

RAW: You have become quite famous for having a juicy booty. Was there ever a time when you weren't

means I'm an official member of the Mile High Club!

RAW: What turns you off?

JM: Bad breath and dirty fingernails turn me off. Cockiness and bad attitudes also turn me off, especially when their disrespect is aimed towards me. A little armpit sweat or ball sweat, here and there is fine with me. We're porn stars, and after a hot scene, we're going to be a bit smelly. If their odor is over the top, then I might say something. But, other than that, those types of things don't really turn me off.

RAW: Do you have any special talents?

JM: Aside from being very athletic and flexible, I am an excellent baker. I enjoy making three-layer cake, pina colada bread, and banana chocolate chip bread.

RAW: What is your favorite thing to eat?

JM: I love to eat seafood, like octopus and squid. I also love to eat salmon with lots of lemon juice. Funny, I'm not really into sushi. I prefer my fish to be cooked. I'm also a carnivore and enjoy eating different types of meat.

RAW: Are you a size queen? Describe the perfect cock.

JM: Kind of, yes. It's not like it has to be huge, but it would be nice. For me to really like you, then yes, your cock should be on the bigger side. The perfect cock would be thick and about nine inches! Nine inches is a party.

RAW: Perhaps that's why you enjoy anal sex more than vaginal sex.

JM: Yes, perhaps you are right. I'm a rather small woman with a very small pussy, and eventually, the cock is going to hit my vaginal wall. It won't be able to get any farther. Now with my ass, I'm able to shove in a few more inches, which is awesome. The more cock I can take in, the merrier I am! ®

MIA, JAMES & DOMINIC

Watch this slut take two times the load...

RAW

Mia's nympho ways get the best of her...

One in the ass, and one down the throat—delicious...

Waiting in the lobby for the two men at the bar, Mia's pussy wouldn't stop spurting, and when they finally made it up to her room; it didn't take more than a second before she was on her knees.

Swallowing both James and Dom's cocks, her snatch starts to drip uncontrollably.

"Which one of you wants a piece of my ass?" She says, pulling on her pebble.

With her ass in the air, James dominates her bunghole—peppering her with slight musings, before plunging his rod deep in her dewy depths. Cumming so hard, she practically faints, Mia begs for more, before James erupts—creaming her tender insides.

Feeling Dominic's pre-cum start to swell his shaft, Mia deep throats his rod—pulling away, just in time for him to spurt all over her full tits.

Licking the remnants of both men, she laughs, "Yeah, baby, you know I can handle two times the fun!"

PIXXX BY PHOTORAMA

ISIS **TAYLOR & CHRISTIAN**

A subtle tease gets Isis a quick fucking...

This hot babe gets wet by the pool.

Seeing Christian from across the way, Isis pulls off her bikini top—showing off her natural wonders.

"Mmmm...I wonder if he can see how wet my box is," she moans, motioning him over. He barely says, "Hello," before setting her down and licking her glossy peach.

"Your tongue is on fire!" Isis moans, ready for some fucking. "But, now it's my turn!"

Swallowing his entire shaft, her pussy blossoms like a flower—aching to be planted.

Reading her mind, he sets himself on the lounge chair, where her kitty slides down on his massive mast—stretching her to the hilt!

"Yeah, baby! Hit my spot!" She whimpers, fucking Christian hard and fast.

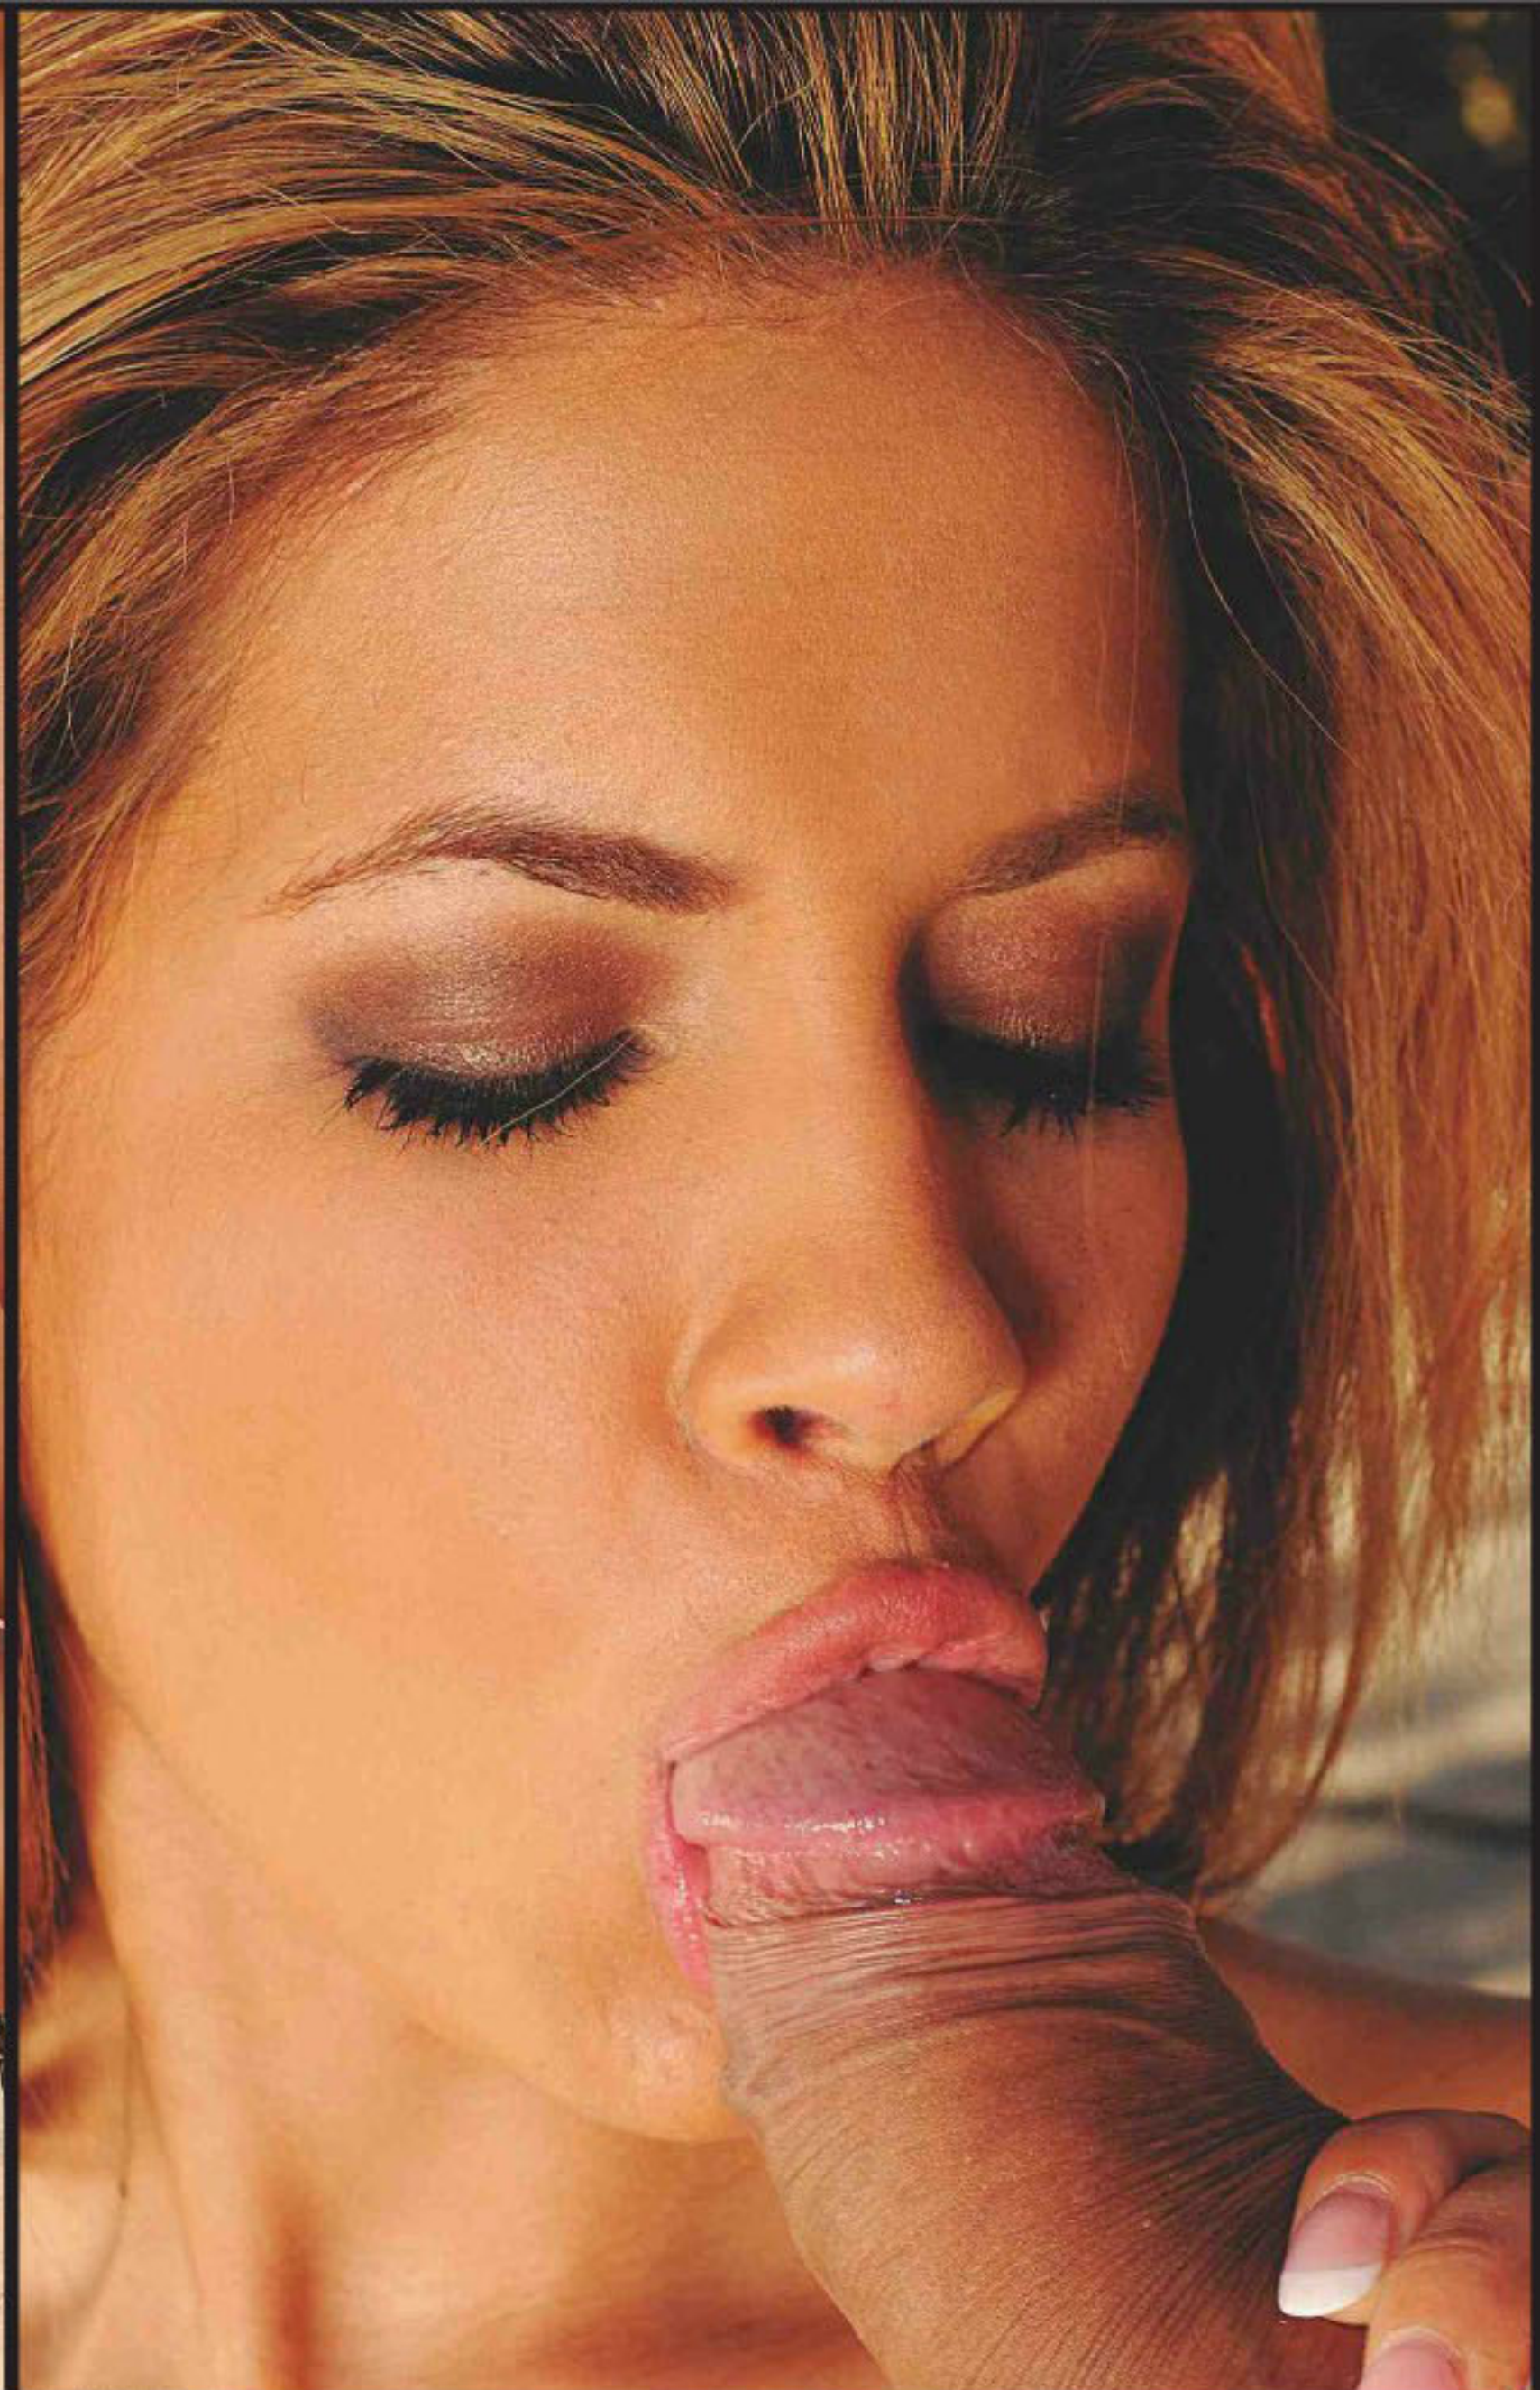

Pumping his hips higher, he says, "I want to make a mark on your face!" And while feeling him shake, she moves to her knees—getting pistoned with his boy batter.

"This is the perfect cool down after a long day," Isis smiles, fingering up the rest of her new friend's concoction.

A warm banging is what this whore craves...
